Wright Care at Home

Promoting Independent Living

15th May 2020

Acts of Kindness continuing this week.....

Morrisons Isolation bags.....

Morrisons have been so generous with their donations to our customers and Care Team throughout the lock down period. They recognised that many of their elderly and vulnerable customers who are regular shoppers and visitors to the café would be isolated during this period. They have this week donated an isolation bag for every one of our customers, Jason the Community Champion for Morrisons Stamford does such a great job in co-ordinating all of these donations.

Care Team go the extra mile...

Lucy whilst carrying out her own grocery shopping this week also completed shopping for a customer to be delivered to their doorstep. She saw that they needed help and she used her own time to carry out this act of kindness....so thoughtful Lucy!

Donna has also been out and about on her amazing electric bike carrying out shopping in her own time, thank you Donna for using your own time to help our customers

Lovely Words sent in by Customers

A wonderful card received from the family of a customer we recently supported with end of life care.... Providing dignity and ensuring wishes are maintained is so important and we will always go above and beyond to ensure we do what we can to meet the wishes of every individual. A very special gentleman who we not only provided care to but also his wife too. Emotional support for families is so important too and we are so grateful for their kind words. We are very proud to have such a wonderful compassionate team who make such a difference every single day

We also received some lovely heartfelt words from a family member, we provide care for their Mum and they are so grateful to our Care Team for continuing to provide excellent Care and Companionship.

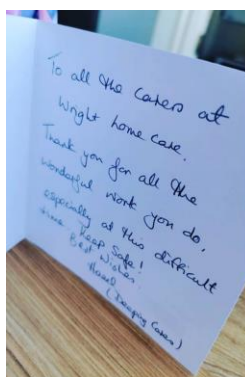

Dear Wright care
Thank you for another week of looking after my mum. Our family really appreciate your care for her and send you our best wishes at this unsettling time - our local heroes
Kind regards
MB

A very special Thank you ...

This week we celebrated International Nurses Day on the 12th May. We work very closely with Community Nurses and their care and compassion is invaluable in supporting our customers and Care Team. We are so grateful for all of their hard work on the frontline also during this pandemic

We received a beautiful Thank you card from a Nurse this week to thank the Care Team for all of their hard work, this meant so much to our team...Thank you

Thank You
to all our NHS
nursing staff on
International
Nurses Day
