

Acts of Kindness ♥

Wright Care at Home

South view Business Park, Unit 1, First Floor, Tinwell Road Stamford
PE9 2JL

Over the last two weeks we have received daily calls, nominations, and compliments to our care team...

The 'Wright Care at Home' frontline team and behind the scenes management are continually working above and beyond.

We recognise every carer and employee for their hard work but have loved seeing our team get so involved and excited about this scheme over the last couple of months.

Receiving the government news on Monday I think has lifted a weight from most shoulders giving us hope we are on the return to seeing loved ones again soon.

We would like to do something a little different for March and donate a token gesture to another business or organisation for giving something to the community.

This could be an individual, or another service that you feel over the pandemic has made a difference to you.

Our team have been overwhelmed by the community and all the support and wishes shown to keep us going.

In this edition we have displayed just some of the wonderful support we have kindly been given during the 12 months of the pandemic.

Please do send in your acts of kindness nominations and we will ensure they receive a token of appreciation from us.

We are all better together.

Our photo challenge got all our hearts melting this week....

This week we asked all our carers to send in a photo of something that has made them grateful this week. During these times well-being is so important. Mel our office manager then judged the winning photo!

This is a picture of Abbie's beautiful pet babies! How can you not love this picture and smile!

As a little token prize, we have a lovely gift from **Rive and blue** for Abbie. Containing two beautiful candles and some wax melts.

Wright Care at Home

PROMOTING INDEPENDENT LIVING

22nd February 2021

Our February Acts of Kindness winner is.....

Fiona joined us just before Christmas and in the short time she has been with us has proven just how much care is the right career for her. Nothing is ever too much, and she is always going out of her way to ensure her customers and colleagues feel valued and supported.

Fiona was chosen for this month's act of kindness winner for purely being such an asset to our team and settling in so well after joining us in a pandemic.

But what stood out was an absolute first for us in our 5 years of providing care. She took her skills to pump up a car tyre for one of our customer's. This is a new one to add to our tools! Congratulations Fiona! Enjoy your Mellow doodles self-care prize!

The Ellie Star Foundation gifted pamper packs to all of our frontline workers.....

This was a wonderful act of kindness. Ellie was one of our carers who a shining star is now keeping an eye on us all. The Ellie star foundation was formed in her memory to support carers and the emotions the role can bring. Having this gesture really made us feel like Ellie is still with us in this pandemic and if she was with us, we know she would have been working tirelessly to support her team. These self-care packages in the first wave were a welcomed treat to help us relax and reflect on the days from wearing PPE in the hot weather.

The Community kindness continues....

'For the Love of Scrubs' another fantastic group of ladies and gentlemen took their time during Covid to get sewing scrubs for frontline workers and the NHS. We have been absolutely blown away by their donations. Keeping us going with uniforms but also, they have been even kinder with recently writing to us to let us know they are making handmade blankets to gift our customers to make them smile.

Helping with headbands.....

This was started by two textile teachers who wanted to give something back to frontline workers wearing PPE. During the first wave, they contacted us to support our carers with headbands to help ease the pressure of the bands from wearing medical masks for full shifts. They not only provided these but also made it fun with bright colours and patterns to keep us still looking friendly and not too clinical. PPE which is now the normal can seem frightening so to have some lovely fabrics really made a lovely difference and bought some cheer to our newfound uniforms.

These are just a select few of community acts of kindness that we are thankful for. See next weeks edition for further shout outs! We can't wait to hear yours.

Our runner up for our weekly challenge....

Following on from Abbie's wonderful picture that got us all going 'awww' we loved this photo sent in from Ashley from one of her walks this week. True beauty right here with a beautiful sunset. So, we also decided to give a second little prize. Well done Ashley!

Acts of Kindness Nomination Slip – Please return to us

I _____ would like to nominate this organisation/individual/service _____ for the following act of kindness _____

What this means to me? _____

Consent to share? Yes/No (Please circle)

Address/name of business so we can token a gesture
