

Marathon Walk Exceeds £2,500 Target

The 'Wright Care' Mighty Hikers Walk on May 20th raised an incredible £4,428 for Macmillan Cancer Support. Director and owner of Wright Care, Samantha Davis-Wright, led a team of fearless ladies over the 26.2-mile marathon walk, along part of the North Norfolk coast.

Here are some of her observations:

- It was such a hot day, and we all suffered a bit of heat stroke I think, despite the copious amounts of water we drank! But the feeling when we went over that finish line on the Holkham estate was a feeling like no other!
- Everyone was so proud of completing the hike, despite blisters, torn knee ligaments, and a cut lip, we all did it - albeit with a few tears along the way!
- I'm so grateful to everyone who supported us and donated to such a special cause!
- It was a lovely team-building day, and we had the best time. I'm really proud of my team every day, but there is never any stopping them! They are already talking about what's next!
