Our Bourne Hub is open

The end of 2022 was marked with some extra festive joy as we opened our Bourne Hub. The Mayor of Bourne joined us to officially cut the ribbon. After weeks of hard work getting the shop together it was a momentous occasion to finally open and be in the heart of Bourne.

We opened our services to Bourne and the surrounding villages in Dec 2020 after seeing a demand for care and it has gone from strength to strength. Our care team there have grown, and we really wanted them to have their own hub so they can pop in for a cup of coffee and a chat, and for our customers to have a place on their doorstep to come in too.

In the spring, we will also be able to hold all our training in house too and it provides a welcoming area for visitors to come and take a comfy seat and get to know us.

Located in Crown Walk off West Street we are right in the heart of the town and can be found opposite a wonderful little coffee shop 'Hygge'. Everyone has been so welcoming, and we are proud of this achievement in our Wright Care Journey!

Jo Ryman was our first ever Care worker to join the Bourne Team, so it was only right she was there to open the shop with the mayor. A lovely day, that welcomed our carers, customers, and family to mark the occasion.

Despite the very busy life of a carer working often unsociable hours they have been busy training and getting in the miles in preparation for the big day.

Here are the route details:

ROUTE HIGHLIGHTS

- Start at Cromer Beach
- Pass through the nature rich Salthouse Marshes
- Explore long stretches of the Norfolk Coast Path
- Pass through the pretty fishing port of Wells next the Sea.
- Enjoy a glorious finish at Holkham Hall

We have a minimum target to meet to take part in the event. £2000. Already meeting nearly half of our target we are sure we can really go the extra mile 'Pardon the Pun' to help such a fantastic charity. One so close to our hearts! We are walking each mile in honour of our customers we have cared for. If you would like to support our team, please follow our [just giving link](#) or contact one of our offices to find out how.

We are also offering people the chance to sponsor a mile for £10.00 in tribute to someone you have lost. We will on the day take videos paying tribute to them and share this with everyone along the way. We have lots of events happening over the next few months towards our Fundraising goals for this year, we look forward to keeping all of our teams, customers, and families updated.

Julie attends the finalist day in front of judges for 'The Rising Star' award...

Julie Taylor has been shortlisted for the Lincolnshire care awards. She has been nominated for 'The Rising Star' category which awards a carer who is new to the role in the last 12 months. A carer who has really led their path in becoming a fantastic asset and on a path to growing in their role.

Julie worked in Retail for over 20 years and came to us 7 months ago, looking to make a change in her career and find a role that was rewarding but also made a difference.

When asking Julie how she felt being nominated her response was very modest in 'I'm just doing my job.' Julie
