TEAM TRAINING DAY AT WRIGHT CARE AT HOME

OUR AMAZING TEAM RECENTLY CAME TOGETHER FOR A DAY OF TRAINING, LEARNING AND SHARING IDEAS TO MAKE SURE WE CONTINUE PROVIDING THE HIGHEST STANDARD OF CARE TO THE PEOPLE WE SUPPORT.

BECAUSE MANY OF OUR CARERS WORK INDEPENDENTLY IN THE COMMUNITY, DAYS LIKE THIS ARE REALLY SPECIAL — A CHANCE TO CONNECT, LEARN TOGETHER, AND SUPPORT ONE ANOTHER (WITH A LITTLE TEA AND CAKE TOO!).

A SPECIAL THANK YOU TO DEREK FROM ARCHER BUSINESS SOLUTIONS WHO HAS BEEN TRAINING AND MENTORING OUR TEAM FOR ALMOST A DECADE. DEREK HAS BEEN PART OF THE WRIGHT CARE AT HOME JOURNEY FROM THE EARLY DAYS AND TRULY FEELS LIKE PART OF THE FAMILY.

AT WRIGHT CARE AT HOME WE BELIEVE GREAT CARE STARTS WITH A SUPPORTED TEAM — AND KEEPING COMPASSION AT THE HEART OF EVERYTHING WE DO.

Team News.

Behind the scenes training! ...

Maintaining high standards of care!

Visits often came with a slice of pure joy... and we mean that literally!

Our very own "Phil 'Mary Berry' Storey" whipped up a show-stopping lemon drizzle cake

Safe to say, spirits were high, crumbs were everywhere, and smiles were even bigger

*Because this is what care at home is all about:
laughter
companionship
and a little bit of baking brilliance and happy faces*
