Granny Jean...

It is with such a heavy heart that we announce that Granny Jean passed away at the age of 98 years young last month.

Granny Jean was Sammy's Gran and was an integral part in the set up and creation of Wright Care at Home.

Without Jean, we simply wouldn't be here today being able to provide care to so many of our local community.

Above: Granny Jean at the opening of our Bourne office with her granddaughter, Sammy. This was an exciting moment for Jean who was always extremely proud of Sammy's achievements with Wright Care at Home.

Without doubt, Granny Jean was our biggest cheerleader and now there will certainly be a big hole in the Wright Care team.

Granny Jean has been the face of Wright Care from day one. We only hope that she is now with Simon enjoying a large G&T!

We wanted to share a few memories with you from over the years..

In 2016 Granny Jean along with Simon supported the set up of the organisation and they were both pivotal in their contributions to ensure the ethos was a family focused one.

Over recent years, Granny was so delighted to have care from her very own team here and she often referred to them as her angels. They visited daily to support her with remaining independent and she was always so fond of all of them.

In her 98 years young, she enjoyed knowing how the team was and what we were all striving to in our next goals.

Welcome to the world...

Rory Simon Davis-Wright

Rory was born a healthy 8lb 10oz on June 30th at 04:48.

Both Rory and Sammy are doing well. We just think he is gorgeous and we have been enjoying all the cuddles when Sammy has popped in to see us here!

Don't Mollie and Maisie make the best big sisters? We hear they have been taking their new role very seriously and are being super helpful.

Sammy, enjoy your maternity leave... your first baby is in safe hands with us all xx
