To my team—thank you for showing up every day with compassion, strength, and dedication.

WHAT OUR CUSTOMERS HAVE TO SAY AS WE CELEBRATE A DECADE OF CARE!

Those 10 years have flown by - Congratulations to you all - the vision and ethos shared at our first meeting is still the driving force behind everything you do and I wish you all every success for many many years to come"

2016- First Customers - G Scotney

HERE'S TO THE NEXT 10 YEARS!

"I first met Sammy Wright when she had aspirations to set up and run her own care company almost 12 years ago. TEN years ago she made it happen- and Wow! As someone who is used to assessing the quality of care companies as part of my own business, it was clear from the outset that Sammy had a true vision. Over the past ten years I've seen that grow into one of the best companies I have had the pleasure of working with. Genuinely passionate, driven to support customers to the best of their ability, I have seen WCAH grow into the award winning Outstanding provider of care that they are today

Many congratulations to all at WCAH - it has been an honour and a privilege to work with one of the best! Here's to the next ten years!"

Y

10 YEAR CELEBRATIONS!!

WE ARE SO LUCKY TO OF RECIEVED SOME LOVLEY TESTIMONIALS FROM PAST CARERS,AND CUSTOMERS , THERE HAS BEEN SO MANY , BUT HERE ARE A FEW WE THOUGHT YOU MAY WANT TO HAVE A LITTLE READ OF.

10 years of service!

Wow 10 years , times flies when you're having fun. From 5 of us starting round the kitchen table to now having over 25 carers and over 35 customers. I have so many good and some sad memories, but it has made me the way I am now. From being a carer to an ambassador. Achieving so many certificates, dread to count how many. My biggest achievement is being the end of life trainer.

My most memorable time is when I completed last offices for the first time, what an honour and privilege it was and I knew from that time I wanted to show what end of life should truly be, with dignity and the upmost respect.

We are not just colleagues, we are FAMILY.

It has been absolute honour and privilege to work for Wright care at home.

A big thank you to Sammy, Margie and Sarah for believing in me.

Here's to another 10 years.

Nicky - 2016 Care Ambassador! 10 years of service

Working for us!

Happy 10th Anniversary! 🎉

I have such fond memories of my time with Wright Care at Home. What I loved most was how truly person-centred the care was; seeing the customers get the independence and the care they deserved made the job so rewarding. The bonds you built with customers were truly special, and I loved seeing their progress—like giving a customer the confidence to have a shower again in their own home.

I also appreciated the incredible support from the team—even after a tough call, knowing everyone was there for you made all the difference. It was a joy to work with such a supportive group, and I truly miss working with you all.

Kim Davies - Past carer 2022 - 2023

Working for us!

Working for a wright care at home was a deeply rewarding and meaningful experience that allowed me to make a genuine difference in people's lives. Wright care always had the outlook of treating customers as if they were family which allowed me to develop strong relationships, built on trust, compassion, and understanding. The role taught me patience, empathy, and the importance of attentive, person-centred care. Wright care at home was incredibly supportive of my ambitions, encouraging my development and helping me work towards a future career in the ambulance service which has led me onto working as a practitioner. I thoroughly enjoyed my time at wright care and have always thought about coming back just for the odd shift as I miss it so much! Congratulations at turning 10, here's to many more years. 🌟

Amy Measures - Past Carer and senior.

Amy is now an practitioner for the ambulance service - NHS
