

Prestigious Award for Local Home Care Provider

The past eight years have seen the small, independent home care company, Wright Care at Home, become established in South Lincolnshire

Founder and owner, Sammy Davis-Wright has been the driving force behind the company's growing reputation for excellence in the field of social care provision. It was wonderful, then that Sammy was able to receive a well-deserved award on November 24th, on behalf of her hard-working, friendly team of carers.

At "The Great British Care Awards" ceremony in Nottingham, Wright Care at Home had been nominated and then shortlisted as finalists in two categories, competing with providers from the whole of the East Midlands. Donna Youngs was chosen as a finalist in the "Home Carer 2023: East Midlands" category, a remarkable achievement in a 400-strong field of carers.

The icing on the cake, however, came when Sammy stepped up to receive the "Home Care Employer Award 2023: East Midlands", which automatically gives Wright Care at Home entry into the nationals in Birmingham in March 2024. The Great British Care Awards are a series of regional events throughout

the UK to celebrate excellence across the care sector; the purpose of the awards is to pay tribute to those individuals who have demonstrated outstanding excellence within their field of work.

A delighted Sammy commented, "Winning this award was such an achievement; never did I anticipate that we would win! Such an accolade for our team. This award is such a personal and team achievement. To see a smaller, independent, provider in the area win this award was a huge testament to the work we all do on the frontline and behind the scenes. It was an honour to bring this award home for our team and show them all just how amazing they are, 365 days a year in supporting our community. It gives us even more motivation to keep going and strive further in providing the Stamford and Bourne area with services, above and beyond."

The judges' comments included the following: "Samantha is the driving force; her unwavering values and fervour for providing the right support in people's homes radiate. Despite being a small company, her immense heart sets her apart. Keep forging ahead, Samantha; the social care realm thrives with individuals like you!"
