

Pupils Put a Valentine's Smile on the Faces of Wright Care at Home Customers and Carers

The wonderful pupils of Edenhams CE Primary School and Edenhams Red Deer Rangers Pre-school went the extra mile in February and created Valentine's Day cards for all the customers and carers of Wright Care at Home.

Wright Care at Home predominantly support an elderly customer base, to remain independent within their own homes. The last two years have really shown how our community comes together and, as the ethos of the company is to promote and maintain this, it was a lovely thoughtful way of doing so.

The children of Samantha Davis-Wright (founder and owner) and Sarah Poulton (Care Manager) attend these groups and it was their idea to do something for their customers that initiated the lovely gesture. Angela, the Room Manager of the nursery at Edenhams, was delighted to help and she expressed how much all the children had enjoyed creating the cards. The baby room, nursery room and pre-school room all took part, and had the chance to really explore their artistic sides.

The children then delivered the cards to Wright Care at Home, where the carers had the pleasurable task of delivering them all on Valentine's Day. One card was even delivered by Ralph Poulton, the son of the Care Manager, and this made the customers' day.

Our carers were not forgotten either. The pupils of Edenhams Primary School all made individualised cards, signed by them, to every member of our care team. It really touched the hearts of our team and, after all the work carers have been doing over the last two years, this was the perfect touch!

The children were really given an insight into the role of a home care worker and what they do from day to day, something which we wanted to instill to our future generations.

Samantha Davis-Wright commented, "When I first set up the company, keeping compassion at the heart of the service was my main goal. I wanted

our community and customers to feel part of where they live and to be delivered a high standard of care. I wanted Wright Care at Home to be based on family values and this was just one example of how we go above and beyond to make a difference every day. Several of our customers are writing thank you notes to the children and mentioned how delighted they were. It really gave an array of smiles!"

Response from Edenhams Pre-school

"Edenhams Pre-school has loved being part of this community project which is bringing joy and happiness to so many local people. Our children have enjoyed using their own creative imaginations to design and make the Valentine's cards and send their own very best Valentine's wishes to everyone. We are looking forward to being involved in more community projects with Wright Care at Home in the future."

Julie Marshall, Owner.

We are looking for caring individuals to join our existing team.

Delivering care in Stamford and Bourne. We are a leading independent care provider supporting customers in the comfort of their own homes.
